

# ARNO

## FULL ANILINE

UPHOLSTERY

INTERNAL  
MARINE

ARNO is a unique range with a distinct distressed appearance that gives you that antique look and feel without having to wait. The semi-gloss appearance is created by the water based finishes of waxes, anilines and resins. As the ARNO range is a full aniline article, it will have some colour variations between different hides and batches which is acceptable.

**PLEASE NOTE:** This leather will scratch and mark very easily but when left alone, the wax and oil will redistribute back to an even look.
